[illegible]

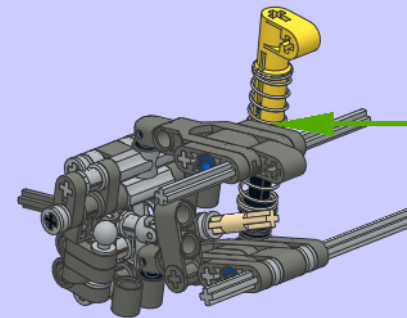

LEGO Technic part 1132, a grey 1x3 beam with blue pins and yellow bushings.

A close-up view of a LEGO Technic assembly. It features a grey axle passing through a blue bush and a grey connector. The assembly is shown against a yellow background.

A close-up view of a mechanical assembly. A grey shaft is shown with a blue pin inserted through it. A grey bracket or support structure is attached to the shaft, and a grey pin is visible at the end of the shaft.

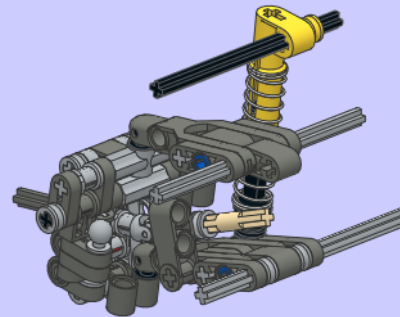

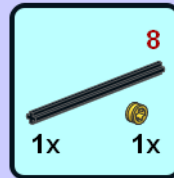

A close-up view of a grey Technic axle passing through a blue bush and a grey connector. The connector has a blue pin visible on its side.

[illegible]

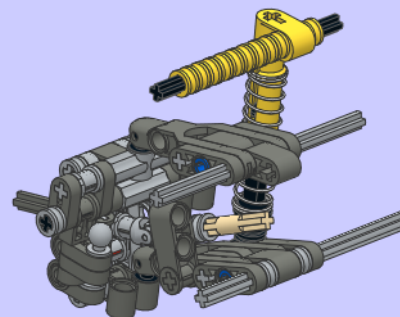

LEGO Technic Part 1135, a grey 1x3 axle connector with blue pins.

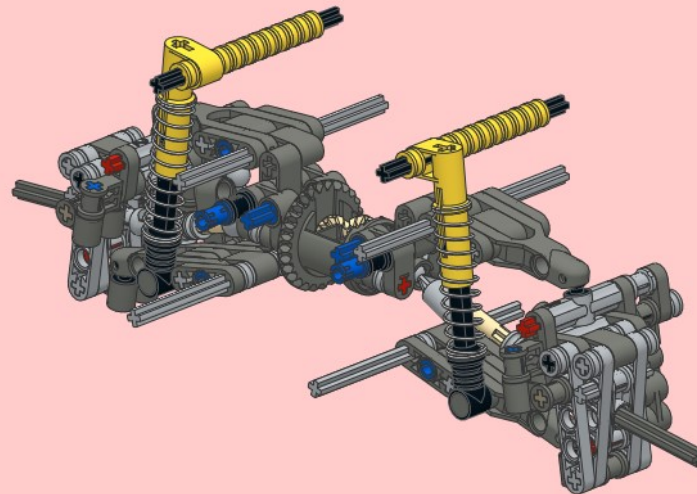

A grey Technic axle connector with a blue pin and a small gear.
