PREDICT

DARK BROWN

OVERTONE

FUTURE HAIR COLOR PREDICTOR

follow these steps
for the best results!

- cut out the color predictor square
- fold the bottom left corner to meet the top right

- unfold the square

- repeat step #2 from the bottom right and unfold

- fold all corners into the center

- turn over with folds

- fold all corners into the center

- fold in half

- predict your color

HOW TO PLAY

- pick your starting hair color and open/close the FHCP the number of times listed
- close your eyes, randomly pick from the new #s shown, open/close FHCP that amount
- repeat step 2
- close your eyes and select a final number, unfold tab for results
