## How to read this pattern

If you see **Rnd 2:** 6 inc (12 sts), sl st, ch 1

Read it like this:

In second round work 2 single crochet in next st, repeat this instruction 6 times, make sure you have crocheted 12 stitches in this round, 1 slip stitch in first stitch of this round to join, chain 1 and turn your work.

*Ch 1 at the end of a row/round is not counted as stitches for the final count of stitches in a row/round.*

When you see ch 1, ch 2 or ch 3, etc., at the end of the row, start the next row beginning from 2<sup>nd</sup> st from the hook. It is made to increase the number of sts.

**TIP: Find print friendly version** (no pictures) at the end of the pattern (Appendix 3).

### Cheek (make 2)

**Rnd 2:** (1 sc, 2 inc) x 4 (20 sts), 1 sl st, ch 1

**Rnd 3:** 1 sc in each st around (20 sts), 1 sl st

Fasten off leaving a tail for sewing.

**Tip (gauge)**

When making this project, you should use a much smaller hook than recommended for the yarn you choose.

**Tip (stitches)**

If you are a beginner crocheter you can see "Appendix" at the end of the pattern for reference how to crochet a particular stitch.

**Tip (abbreviations)**

If there is a record in the brackets in the pattern, multiplied by some number, for example (3 sc, 1 inc) x 3, it means you need to repeat this action 3 times, that is 3 sc, 1 inc, 3 sc, 1 inc, 3 sc, 1 inc.

**Tip (make it right)**

If there are no special notes, the bookmark is crocheted under both loops. In some rows, there are special notes: 'into the front loop only' or 'into the back loop only'. In this case, you need to follow those instructions.

**USA/UK terminology comparison chart.**

## Appendix 2

### STITCHES USED IN THE PATTERN

#### Slip knot

Loop the yarn around your left index finger.

Slip the yarn from your finger, and hold the loop between your thumb and index finger.

Use the crochet hook, held in your right hand, to draw the loop up and around the hook.

#### Chain

Start with slip knot, yarn over, pull the strand of yarn through the loop on your hook – you've got one chain.

Continue to repeat the process to create more chains.

#### Slip Stitch

Insert the hook in the next chain, yarn over and pull the strand of yarn through the chain and the loop on the hook.

#### Single Crochet

Insert the hook in the chain, yarn over, pull the strand of yarn through the chain, yarn over again and pull the strand of yarn through both loops on the hook. Starting from round 2 insert the hook in the stitch of previous round.

## Decrease

In the place where you need decrease pull up a loop in next 2 stitches of previous round, yarn over, pull the strand of yarn through all 3 loops on the hook, counts as one single crochet.

## Increase

In the beginning (end or middle) of the row make 2 single crochets in 1 stitch of previous round.

## Half double crochet (hdc)

Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through. Yarn over again and gently pull the wrapped hook through the center of all 3 loops on your hook.

## Double crochet (dc)

Yarn over, insert the hook in the chain or in the stitch of previous round and pull the yarn through.

Yarn over again and gently pull the wrapped hook through the center of the first 2 loops on your hook, yarn over again and draw your yarn through the last 2 loops on the hook.

## Fasten Off Yarn

When you get to the end of your crochet design and you'll need to fasten off the yarn. Fastening off crochet is a fancy way to say "cut the yarn and secure it."

1. Cut the yarn about 15 cm (6 inches) from the hook then using your hook, draw the cut end of the yarn through the last remaining loop on your hook.

2. Pull gently on the tail of yarn to snug up the

end.

This action keeps your work from coming apart without having to make large unsightly knots.

## Surface Slip Stitch (SSS)

**Step 1:** Hold the yarn on the wrong side of the work; insert hook through the stitches; yarn over and pull yarn to the right side.

**Step 2:** insert hook through the stitches again few mm from the previous stitch, yarn over on the back side and pull yarn through the fabric to the right side and then through the loop on the hook.

Repeat step 2 as many times as needed.

You can always watch video on [youtube.com](http://youtube.com). Search for "How to Crochet: Surface Crochet".

## Weaving in ends

When the work is completed it is necessary to weave in all ends.

1. Thread one end through a tapestry needle
2. Weave the 15 cm (6 inches) tail of yarn up and down through 3 or 4 stitches — kind of in a zigzag pattern (try not to split the yarn of the stitches).
3. To make the end really secure go back the way you came, weaving the end backwards through those same few stitches.
4. Cut the yarn about 0.5 cm (1/4 inch) from the

fabric and gently pull the fabric. The end magically disappears, and your work is secure.

## Double decreasing (sc3tog)

**Step 1:** Pull up loops from next 3 stitches of the row.

**Step 2:** Yarn over, pull the strand of yarn through 2 loops on the hook. You should end up with three loops on the hook.

**Step 3:** Yarn over again and pull the strand of yarn through 3 loops on the hook.

We get 1 sc out of three stitches.

## Crab stitch (Reverse Single Crochet Stitch)

Crab stitch is the most popular way to finish the edge. For this stitch single crochets are worked not from right to left as usual but from left to right.

1. Finish crocheting and with the loop on the hook do not turn, insert the hook in next stitch to the right moving the hook away from you as the arrow shows.

2. Yarn over, draw yarn through stitch as the arrow shows.

3. Yarn over, draw yarn through two loops on the hook as the arrow shows.

4. 1 crab stitch is made, the loop is on the hook.

5. Repeat step 2.

1. Continue till the end of the edge.
