

NOTICE

Delaware Beautification Project - Tree Removal **Sunday night, October 21**

Contractors will be removing dead trees on Delaware on **Sunday, October 21** into Monday morning.

The work will be done overnight while the Streetcar is out of service between the hours of **11:00 PM to 6:00 AM**.

Delaware Street will be closed during this time for southbound and northbound traffic. Fifth Street at Delaware is expected to remain open for east and westbound traffic.

There will be **NO PARKING** allowed on Delaware St. between 3rd Street and Independence Ave.. This will allow enough working room for the crews and their heavy equipment. **All cars will be towed at the owner's expense beginning at 10:00 PM Sunday, October 21**

We apologize for any inconvenience this may cause to the businesses and residents along Delaware. **This work will be loud. *Please plan accordingly.***

The trees will be replaced later this fall if the weather allows or early next spring at the latest.

This project is a **Kansas City, MO Parks & Recreation** project that the River Market Community Improvement District (RMCID) is coordinating. Please direct all questions to Mark Rowlands of the RMCID at **(816) 421-5243** or email at mark@downtownkc.org
