RED PLUOTS

The outside colour may range in red colour with the inside going from dark reds to magenta.

BLACK PLUOTS

The most plum-like in taste with a robust sweetness. These gems will have brilliant flesh colours of magenta and pale yellow.

GREEN/YELLOW PLUOTS

Very juicy with a tropical flavour. These varieties may be green with a red blush on the outside to turning completely yellow.

MOTTLED PLUOTS

They start their season with green and purple spots then turn to shades of pinks and purples with white spots. Inside, they can range from dark magenta to creamy white with a pink blush.
