*Once upon a time...*

Once upon a time in a magical building near midtown, families, friends and coworkers celebrated in fabled style. Working to foster powerful relationships and engaging interactions, the valiant staff at No Way Out™ are known to host amazing escape room experiences that perfectly capture the magic of team adventures.

Using the history of the area and creating an adventure based around a wealthy French fur-trading family, you will be immediately pulled into a breathtaking story plot designed to expose a wide variety of skills; such as creativity, problem solving, and time management.

## Become Enchanted

Legend has it that No Way Out STL is where the most magical Team Escape Adventures in all the land takes place. Talked about in hushed whispers, these parties are said to be full of fantastic food, enchanting entertainment and an abundance of enthusiastic cheer only otherwise found in a fairy-tale.

Your invited guests, typically two to 15, gather together at the venue 15 minutes prior to your booking. A short self-prescribed activity is explained by the host and guidelines are recited (such as no need to lift heavy furniture and there are no clues inside the electrical outlets). ALL personal belongings are secured in a trunk and with a whimsical journey into The Pélagie Fur Parlor, paths are carefully chosen. Use your skills to complete all the puzzles within 60 minutes to uncover a Million Dollar Reward!

In the end, good communication always prevails. Watch as leadership becomes a verb, *to host*, rather than a noun, *the hero*. Win or lose, we continue the fun in our picture room with a festive photo shoot and intuitive team map.
